Johnny Wimbrely's famous mantra "Say Increase!" can be heard on almost every continent around the world. When Johnny rolls up his sleeves and delivers straight-talk to audiences from Africa to Australia, India to Italy, Sweden to Spain, they respond with energetic enthusiasm. His blunt honesty motivates people to stop thinking and start doing.

Johnny's incredible rags-to-riches story touches a chord in audiences from cultures from around the globe. He transformed his life from poverty and abandonment into wealth and opportunity. When he had nothing but dreams, he created a unique high-energy style that is as sought-after as an international currency.

Because he's literally been there and done that, people feel the connection to him that they have never felt to any other public personality. He inspires his listeners who dare to take the 'Journey to Wealth' with him, no matter what their background, race or religion.
